Purpose:

To ensure that the Topsfield Fire Department complies with acceptable standards set fourth in 105 CMR 170.800 and 170.900.

Scope:

All Topsfield Firefighters shall be certified at a minimum of EMT Basic.

All Topsfield Fire Department personnel shall maintain current CPR training through the American Heart Association BLS Healthcare Provider or equivalent.

All Topsfield Firefighters shall be properly licensed by the Commonwealth of Massachusetts Registry of Motor Vehicles.

A copy of each member's current certification level, driver's license, and CPR card will be kept on file.
