

**SOG #  
99-41**

Page 1 of 1

**Purpose:**

To establish a policy for when Rescue One is to be inspected.

**Scope:**

Per 105 CMR 170.640 "Authorized personnel of the Department may inspect each vehicle, ambulance equipment and supplies at any time without prior notice".

Inspectors from the Department should first present their credentials prior to requesting to inspect an ambulance.

If dispatched to an emergency call, advise the inspector, and respond to call.
